8) INFORMATION ABOUT HIGHER EDUCATION IN POLAND

8.1. Admission criteria

The total schooling time needed for the completion of secondary education, entitling a person to take a school leaving matura exam, is 12-15 years. After they pass the matura

exam, graduates of secondary schools receive a certificate of secondary education, which allows them to apply for admission to higher education.

8.2. Higher education

The rules for the functioning of higher education are laid down in the Act of 20 July 2018 – Law on Higher Education and Science (Journal of Laws 2021, item 478, as amended).

Public institutions of higher education are established by the state. They conduct higher education studies as first-cycle studies, second-cycle studies and uniform master's studies. Studies can be offered as full-time and part-time programmes.

Full time first-cycle studies last at least 6 semesters, and, if the learning outcomes include engineering competences – at least 7 semesters. Full-time second-cycle studies last from 3 to 5 semesters. Uniform master's studies last from 9 to 12 semesters. Part-time studies may last longer than equivalent full-time studies.

The qualifications obtained as a result of graduation are assigned a level of the Polish Qualifications Framework, specified in the Act on Integrated Qualifications System of 22 December 2015 (Journal of Laws, 2020, item 226).

The diploma of completion of first-cycle studies confirms the award of level 6 full qualification of the Polish Qualifications Framework.

The diploma of completion of second-cycle studies and uniform master's studies confirms the award of level 7 full qualification of the Polish Qualifications Framework.

8.3 Titles awarded to graduates

8.3. Professional titles awarded to graduates of higher education studies

1) Licencjat, inżynier and their equivalents: inżynier architekt, inżynier pożarnictwa, licencjat pielęgniarstwa, licencjat położnictwa – awarded to graduates of first-cycle studies;

2) Magister, magister inżynier and their equivalents:

a) Magister inżynier architekt, magister inżynier pożarnictwa, magister pielęgniarstwa, magister położnictwa – awarded to graduates of second-cycle studies;

b) Lekarz, lekarz dentysta, lekarz weterynarii, magister farmacji, magister inżynier architektury – awarded to graduates of uniform master's studies.

Students admitted to uniform master's studies for the academic year 2018/2019 and earlier, will be awarded a professional degree with the name as defined in the existing regulations (i.e. magister sztuki/master of arts).

8.4. ECTS credits

In order to receive the diploma of completion of first-cycle studies the student is required to obtain at least 180 ECTS credits, for the diploma of completion of second-cycle studies – at least 90 ECTS credits, and for the diploma of completion of uniform master's studies – at least 300 ECTS credits, if they last 9-10 semesters, and at least 360 ECTS credits, if they last 11-12 semesters.

A minimum of 300 ECTS credits is required for students enrolled in second-cycle studies lasting 9 semesters for the academic year 2018/2019 and earlier.
